

THE NEW SEAT ATECA

TECHNOLOGY TO ENJOY

THE NEW SEAT ATECA

Built for the
everyday.

**THE NEW SUV FROM SEAT THAT ENABLES
YOU TO APPROACH EVERY DAY LIKE A NEW
ONE.** It'll let you see things from a different
perspective. Equipped with everything to help
turn the ordinary extraordinary, it'll transform
your daily routine into something wonderful.

ADVANCED PERFORMANCE

Explore the environment.

WITH ENGINES RANGING FROM A POWERFUL 2.0 LITRE 190 PS TO THE MORE ECONOMICAL 1.4 ECOTSI YOU'LL FIND DRIVING THE NEW SEAT ATECA A PLEASURE. The all wheel drive technology in our 4Drive engines lets you take on the toughest terrains and the automatic traction distribution adapts to road conditions, instantly improving grip. DSG combines the comfort of an automatic with the speed and dynamism of a manual, meaning shifting gears is smoother and faster. What's more, the SEAT Drive Profile with Driving Experience Button allows you to optimise your driving experience. Driving on any road becomes a pleasure when you can sit back and enjoy the ride, whether in the city or the country.

EXTERIOR DESIGN

Urban
elegance.

THE NEW SEAT ATECA TAKES ON DAY-TO-DAY LIFE WITH A CONFIDENT LOOK. Its distinctive, dynamic style is confirmed with every sharp line and a strong profile that's further enhanced by Full LED Headlights, 19" alloy wheels and chromed roof rails. The double chromed exhaust pipe and chromed window frames, make this car stand out on the streets. Form meets function in the Welcome Light, helping the driver find their way in the dark. Every detail of the New SEAT Ateca has been crafted with incredible attention, and the result? The most advanced urban SUV that can take on every day effortlessly and looks great doing it.

ADVANCED MULTI-COLOUR AMBIENT LIGHT
The perfect integration of ambient lighting in the door with a cascading effect that elegantly illuminates the interior.

INTERIOR DESIGN

The bright side of life.

COMFORT COMES FIRST ON ANY RIDE. NOT ONLY IS THE NEW SEAT ATECA spacious and well equipped, the interior is also upholstered with high quality materials throughout and comes with a leather steering wheel and gear stick. Multi-colour Ambient Lighting allows you to set the tone for every ride and the mood for every journey.

TECHNOLOGY & CONNECTIVITY

Street smart.

STREAMLINE YOUR DAY AND STAY CONNECTED WITH FULL LINK TECHNOLOGY IN THE NEW SEAT ATECA. Full Link in the new SEAT Ateca seamlessly integrates your smartphone with your media system, keeping you connected to your digital world at the touch of a button; sync emails, social media and all of your favourite digital playlists via your car's media system. Full Link is compatible with Apple Car Play™, Google Android Auto™ and Mirror Link™. This is the first car that looks conceptually into the console design to create the easiest access and use with your smartphone. From the ergonomic driver oriented console to the Connectivity Hub with Wireless Phone Charger, everything inside helps your day without a hitch.

FULL LINK
Safely sync your smartphone with your car's infotainment when you're on the move. Includes MirrorLink™, Apple CarPlay™ and Android Auto™.

CONNECTIVITY HUB WITH WIRELESS PHONE CHARGER
You can conveniently place your compatible mobile phone on the wireless charger and never worry about running out of battery.

LANE ASSIST
Lane Assist helps you remain in the intended lane of travel, warning you if you start drifting into another.

TOP VIEW CAMERA & PARK ASSIST

Offers 360° views of the surroundings of the car while parking, with dynamic lines to guide the driver through the parking manoeuvre.

DRIVER-ORIENTED CONSOLE

An ergonomically designed central console that makes everything easily accessible for the driver.

ELECTRIC TAILGATE WITH VIRTUAL PEDAL AND KEYLESS ENTER AND GO (KESSY)

Unlock and lock the boot depending on your proximity to the vehicle, and with a virtual pedal you can open and close the boot door without using your hands.

FUNCTIONALITY

A modern sidekick.

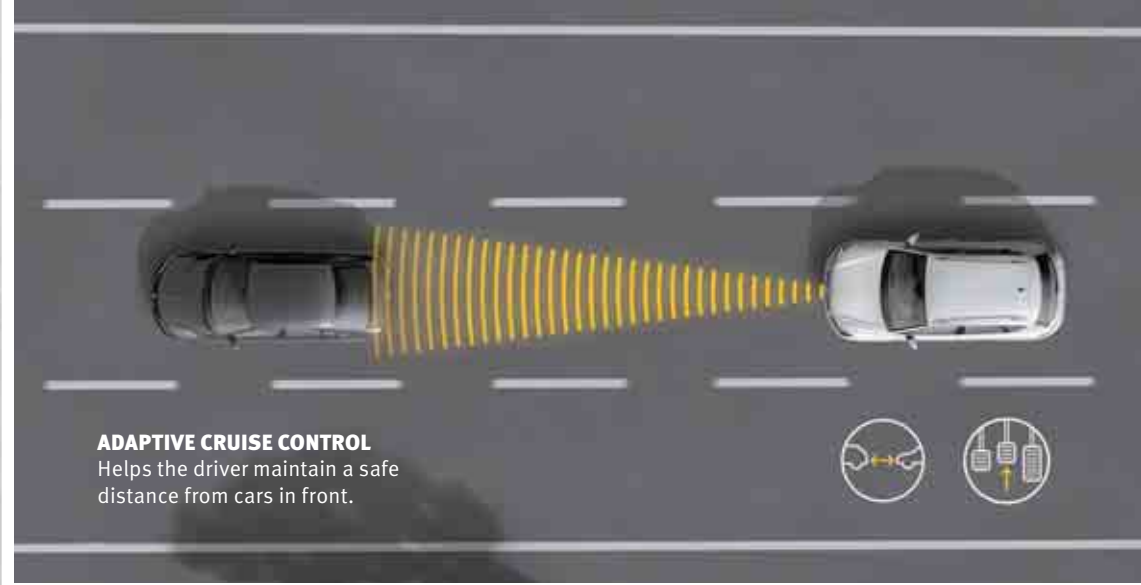

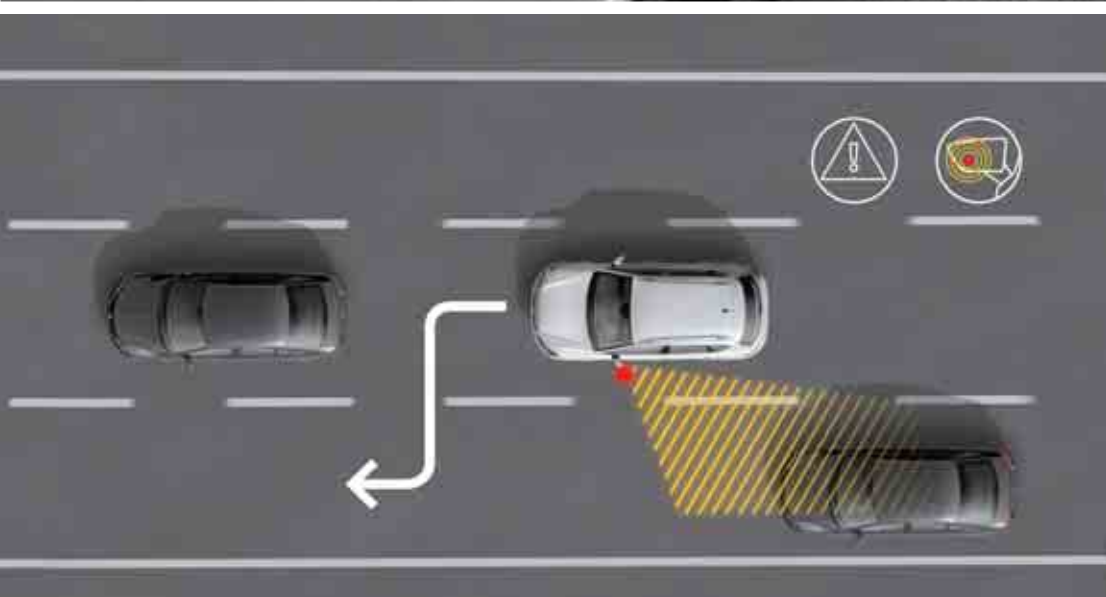

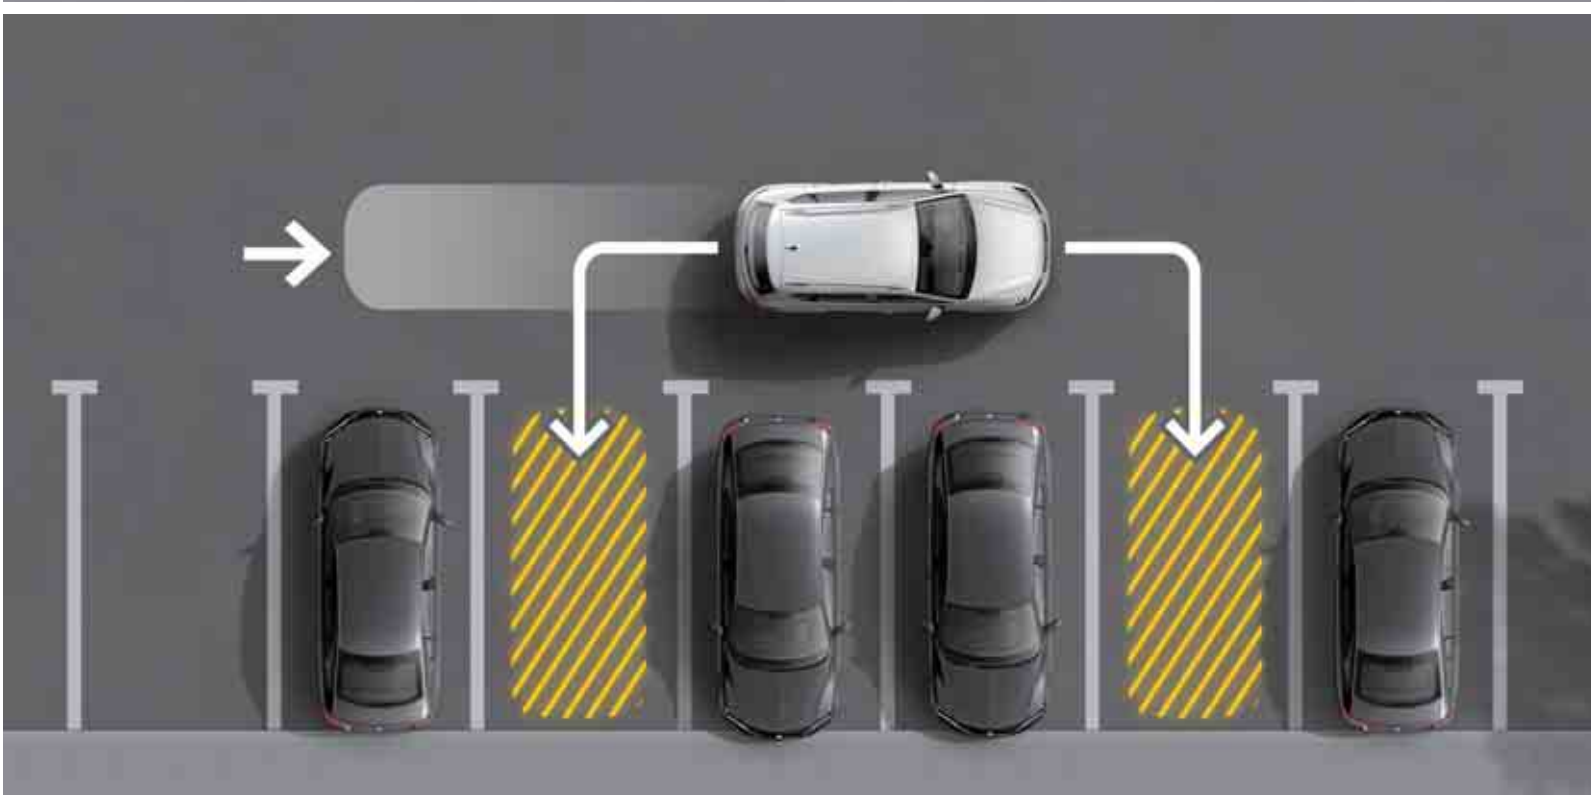

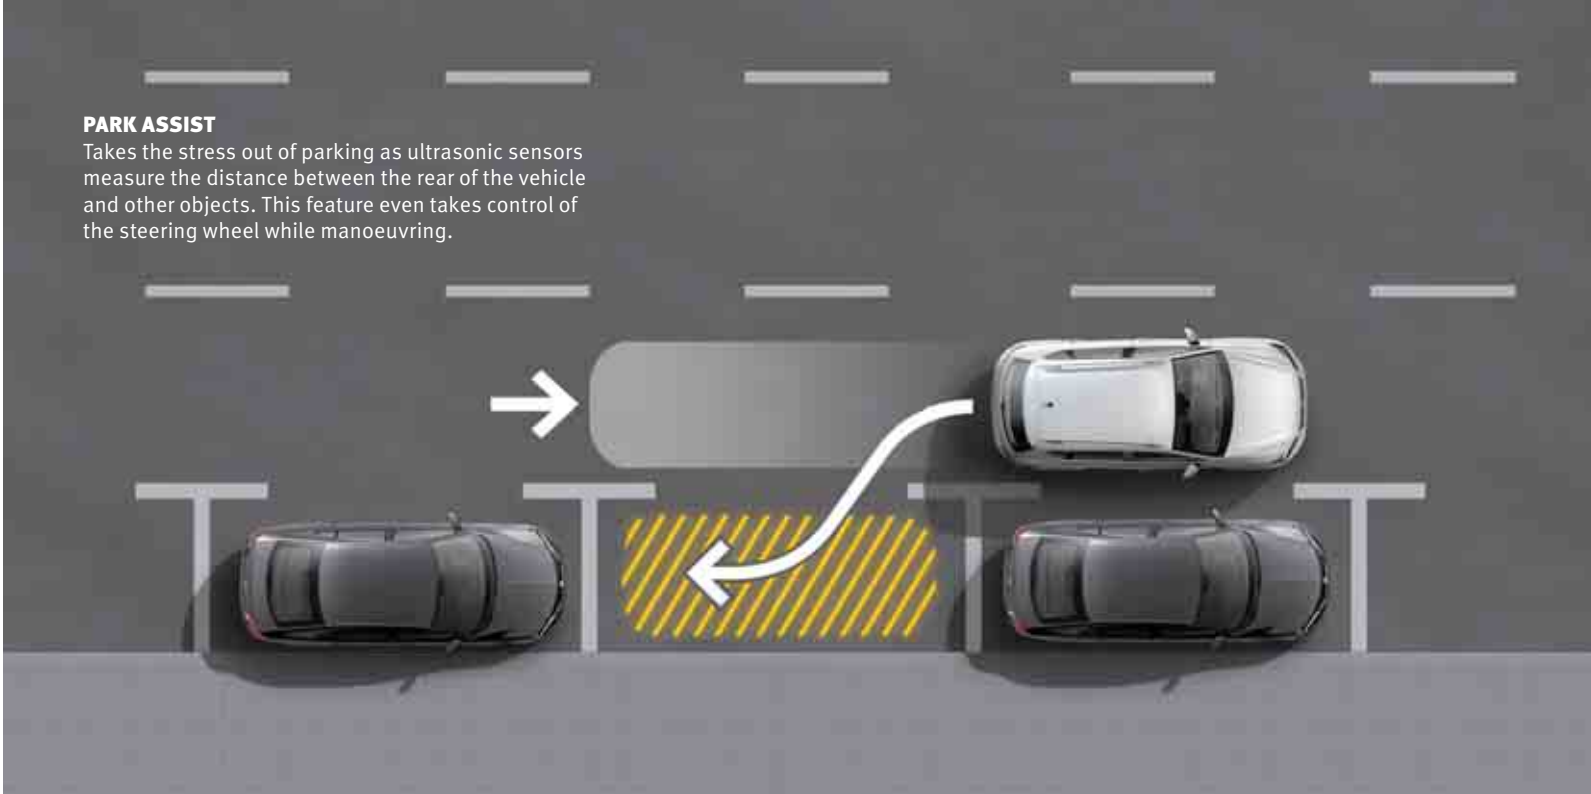

THE NEW SEAT ATECA HAS BEEN DESIGNED TO MAKE LIFE EASIER; thanks to technology, parking becomes a pleasure as the Top View Camera allows you to see around every corner of the car and offers 360 degree views of the surroundings with dynamic lines that help guide the driver when parking. Not only is this car functional for city life but it's also versatile enough to handle all you may need it for; it even comes with an Electric Towing Hook that folds out at the touch of a button.

SAFETY

Urban safety.

SAFETY IN THE CITY COMES FROM ANTICIPATING HOW TO SIMPLIFY A SITUATION. Blind Spot Detection with Rear Cross Traffic Alert helps to make everyday lane changing manoeuvres safer by detecting vehicles not visible to the driver and offering a warning. It also makes rear parking manoeuvres safer as it stops the car if other vehicles are crossing. Adaptive Cruise Control will help the driver maintain a safe distance from cars in front and Traffic Jam Assist* helps with stopping and starting when you find yourself stuck in congestion.

*Only available in DSG models.

ACCESSORIES

Everyday
extras.

THE NEW SEAT ATECA COMES WITH A WIDE RANGE OF ACCESSORIES to choose from so you can make it perfect for exactly what you need it for. Whether it's to allow you to carry more with you or just to make the ride a little more comfortable, there are plenty of accessories to choose from.

ROOF BARS
A convenient and useful accessory for loading extra weight on the roof and providing extra storage.

SIDE SILLS FOIL
Protects the passenger entrance areas with an adhesive strip that adapts to the shape of the door sills.

BOOT ORGANISING NETS
Keeps your load safe. This tray stops it from moving and prevents damage while you drive.

REAR BUMPER PROTECTIVE MOULDING
Protects the rear of the car when loading and unloading the boot.

* MPG and CO2 figures for the Ateca model are to be confirmed.

Fuel consumption and CO2 figures are obtained under standardised EU test conditions. This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available on the SEAT website at www.seat.co.uk and at www.dft.gov.uk/vca
